SUPPLEMENTARY INFORMATION:

This equipment has been tested and found to comply with the electromagnetic compatibility (EMC) limits for a **Class B** digital device pursuant to the listed directives, regulations and standards. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a residential or business environment. The equipment was tested in a typical configuration. Optional devices, such as radios, conform to the noted standard when the Dell™ provided devices are installed in the equipment.

Hereby, Dell™ Inc., as the responsible party for regulatory compliance, declares that as delivered this portable computer is in compliance with the essential requirements and other relevant provisions of the R&TTE Directive 1999/5/EC and carries the CE-marking. As informative information to end-user, this product also meets the essential requirements and other relevant provisions of the Low Voltage Directive 2006/95/EC and EMC Directive 2004/108/EC.
