SUPPLEMENTARY INFORMATION:

This equipment has been tested and found to comply with the electromagnetic compatibility (EMC) limits for a **Class A** digital device pursuant to the listed directives, regulations and standards. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial/business non-residential environment. Operation of this equipment in a residential area is likely to cause harmful interference, in which case you will be required to correct the interference at your own expense. The equipment was tested in a typical configuration.

Hereby, Dell™ Inc., as the responsible party for regulatory compliance, declares that as delivered this server coputer is in compliance with the essential requirements and other relevant provisions of the Low Voltage Directive 2006/95/EC and EMC Directive 2004/108/EC and carries the CE-marking.
