SUPPLEMENTARY INFORMATION:

This equipment has been tested and found to comply with the electromagnetic compatibility (EMC) limits for a **Class B** digital device pursuant to the listed directives, regulations and standards. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a residential or business environment. The equipment was tested in a typical configuration. Optional devices, such as radios, conform to the noted standard when the Dell™ provided devices are installed in the equipment.

Hereby, Dell™ Inc., as the responsible party for regulatory compliance, declares that as delivered the described product is in compliance with the essential requirements and other relevant provisions of the R&TTE Directive 1999/5/EC, Commission Regulation (EC) No 1275/2008 and 278/2009, following the provisions of EuP Directive 2005/32/EC, and carries the CE-marking. Through internal design controls and supply chain declarations, the described product has been verified to comply with the EU RoHS Directive 2002/95/EC. This product does not contain any of the restricted substances in concentrations and applications not permitted by the RoHS Directive. As informative information to end-user, this product also meets the essential requirements and other relevant provisions of the Low Voltage Directive 2006/95/EC and EMC Directive 2004/108/EC.
